Subject: Kansas Health Foundation Recognition Grant

Dear Mayor, Council Members and City Manager:

The Wichita Bicycle and Pedestrian Advisory Board (Board) has taken action in support of the Planning Department's grant application to the Kansas Health Foundation for a bike share system on the Wichita State University and surrounding area.

The grant application addresses Strategy 6 the Wichita Master Bicycle Plan which recommends that the City undertake a study to determine if a bike share program is appropriate for Wichita.

The Board recommends approval of the Kansas Health Foundation Recognition by the City Council.

Jack Brown, Chair
Wichita Bicycle and Pedestrian Advisory Board
